20 July 2011

Dear

SAVE STONEYDELPH DUCKLINGS PETITION

Thank you for attending the full Council meeting on 12 July to present your petition. As you are aware a galvanised steel ramp was erected at the overflow lakes at Stoneydelph in response to your petition.

I trust that you are happy with the outcome however, should you require any further assistance, please do not hesitate to contact a member of staff on the above number.

Yours sincerely

CHIEF EXECUTIVE
