Section M

Section A — General: all four licensing objectives

1. The premises will operate as a convenience store selling alcohol for consumption off the premises only.
2. The Designated Premises Supervisor will oversee the implementation of the operating procedures, staff training and licensing safeguards.
3. Staff involved in alcohol sales will receive training before making sales, covering age verification, refusal of sales, proxy purchases, sales to intoxicated persons and incident reporting.
4. Refresher training will take place at least every six months. Training records will be maintained at the premises and made available to police and authorised council officers on request.

Section B — The prevention of crime and disorder

1. A digital CCTV system will cover the public entrance and exit, alcohol display areas and payment counter, providing clear images capable of identifying persons entering the premises.
2. CCTV will record throughout the hours the premises are open to the public. Recordings will display the correct date and time and be retained for at least 31 days.
3. CCTV recordings will be made available to police and authorised council officers on lawful request. A person capable of accessing and exporting recordings will be contactable during opening hours and will provide requested footage within 24 hours, or another period agreed with the requesting authority.
4. Recordings will be exportable in a commonly accessible digital format. CCTV signage will be displayed at the entrance.
5. An incident register will record crime, disorder, threats, violence and other significant incidents affecting the licensing objectives. It will be maintained at the premises and made available to police and authorised council officers on request.
6. An electronic till will record the date and time of transactions and display an age-verification prompt when an alcohol sale is entered.

Section C — Public safety

1. Public routes to entrances and exits will be kept clear of stock, packaging and other obstructions while the premises are open.

2. Staff will be instructed in the premises' emergency evacuation arrangements and the location of exits.
3. Stock will be stored securely so that it does not present a falling-object or trip hazard to customers.

Section D — The prevention of public nuisance

1. A customer litter bin will be provided and emptied regularly.
2. Staff will check the frontage during trading hours and at closing, removing litter associated with the business where it is safe to do so.
3. Signs at the exit will ask customers to leave quietly and respect neighbouring residents.
4. Deliveries and waste collections will be managed to minimise disturbance to neighbouring properties.

Section E — The protection of children from harm

1. A Challenge 25 policy will operate. Anyone appearing under 25 will be required to provide acceptable identification proving they are at least 18 before purchasing alcohol.
2. Acceptable identification will be a valid passport, photographic driving licence or proof-of-age card bearing the PASS hologram.
3. Challenge 25 notices will be displayed at the entrance and payment counter.
4. A refusals register will record refused alcohol sales, including the date, time, reason and member of staff involved. It will be available to police and authorised council officers on request.
5. The Designated Premises Supervisor will review the refusals register at least monthly and address any training needs identified.
6. Staff will be trained to recognise suspected proxy purchases and refuse sales where they suspect alcohol is being purchased on behalf of someone under 18.

Home Office online right to work checking service

As an alternative to providing a copy of documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service applicants should include in this application their 9-digit code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
