Timetable

A copy of the timetable is enclosed, and particular attention is drawn to the times and dates it contains. These will be adhered to absolutely.

Nomination Papers – please note that these have changed.

Nomination forms should be completed carefully. If you make an error during completion, you may make an amendment and initial it. Amendments should **not** however be made to the candidate's details once the paper has been subscribed. The paper should be completed with reference to the notes contained on it.

Please pay particular attention to the recent legislation on commonly used names as detailed in the notes and in the guidance from the Electoral Commission. [You can find this here.](#)

Only original copies of the nomination papers, home address form, consent to nomination, certificate of authorisation and emblem request (if required) and appointment of election agent (if required) will be accepted.

The candidate's consent to nomination **must** be completed at the same time as the nomination paper. The candidate's date of birth must be included. Anyone can witness the consent because they are only witnessing a signature, but it must be the same person that attests the Home Address form. **Also, if you qualify for more than one criterion you are advised to complete all relevant sections.**

Appointment of Election Agent

This form should be completed and be delivered at the same time as the nomination paper. Any candidate **not** completing this section (and delivering) will be deemed to be their own Agent.

Your attention is drawn to this section and a reminder on the Registration of Political Parties Act 1998, as amended by the Political Parties, Elections and Referendums Act 2000, on the use of description and a registered party emblem. You are advised to consult any local political party you may be a member of.

Requirement for Secrecy

[You can find the relevant secrecy requirements on the Electoral Commission website here.](#) Please ensure that any campaigners are provided with the correct version for the role they are undertaking on your behalf. **Please distribute these as necessary.**

Register of Electors

As a candidate you are entitled a free copy of the current electoral register for the electoral area you are standing in. A copy of which can be supplied upon written request by the candidate. The register is the one in force from 2 March 2026. However, the deadline for registering in time for this election is not until Monday 20 April. Any registration applications received up to this deadline will be included in the register for the polling station.

A link to the Electoral Commissions, "Guidance for Candidates & Agents" can be found on the front page of this pack.

Display of Election Posters – Codes of Practice

Enclosed is the County Council's letter about **NOT** displaying any election material in or on the public highway, including street furniture such as lamp posts. **Please ensure that all your helpers associated with the election observe these rules.**

Role of Tellers

Please refer to the note about tellers at polling stations and guidance within the Electoral Commission's Guidance.

Method of Election

If the number of valid nominations received exceeds the number of seats vacant, election will be by polling on Thursday 7 May 2026.

The remainder of these notes deal with election by polling.

Poll Cards

When elections are contested the issue of poll cards is mandatory. Poll cards will be issued before absent vote and Voter Authority Certificate deadlines, reminding the public of these dates. Information regarding voter ID and the accepted forms of ID will be included on poll cards where required. Poll Cards will be distributed from Friday 27 March.

Absent Voting

The way electors apply to vote by post and proxy has changed. They are now able to apply to vote by post and certain types of proxy online. Electors can do this here:

Postal Vote Application: [Apply for a postal vote - GOV.UK](#)

Certain Proxy Vote Applications: [Apply for a proxy vote - GOV.UK](#)

Please note that the Electoral Registration Officer must still capture personal identifiers i.e., signature and date of birth in a standard format for all absent voters. Consequently, you are advised to ask electors to apply online using the web addresses above or if they are unable to apply online to pass the requests for postal and proxy votes to the Electoral Services Office. There are links to the GOV.UK absent vote application websites on our Election 2026 webpage.

All absent voters will be sent a poll card. It is a legal requirement to send this poll card which reminds the elector of this facility, the proposed date the ballot papers are being sent (if a postal voter) and how to cancel their postal/proxy vote if they wish to do so.

Postal Vote deadline – 5pm on Tuesday 21 April 2026

Proxy Vote deadline – 5pm on Tuesday 28 April 2026

Voter ID

Since May 2023, electors who vote in person at a polling station have been required to show an [approved form](#) of photo identification before they can be issued with a ballot paper.

If an elector's photographic identification document has expired it will still be accepted so long as the photograph is still a good likeness, unless it is a temporary Voter Authority Certificate which is not valid for use on the date of poll.

An elector may be required to provide further proof of identity if there is any discrepancy between the name as shown on the form of photographic identification and the name of the elector.

If an elector does not have an approved form of ID, they can apply for a free Voter Authority Certificate. Electors can apply online at <https://www.gov.uk/apply-for-photo-id-voter-authority-certificate>

Paper applications are also available if needed please see the Electoral Commission website or contact the Electoral Services Office for more information.

The deadline to apply for a Voter Authority Certificate before these polls is 5pm on Tuesday 28 April 2026.

Polling Stations

I enclose a list of the 52 polling stations we have booked for these elections.

Pre-Election Period Guidance

Tamworth Borough Council Elections: 23 March 2026 – 7 May 2026

The Tamworth Borough Council elections will take place on Thursday 7 May 2026. This guidance provides advice for Members and officers on the rules governing publicity, use of Council resources, and related activities during the pre-election period, which begins on Monday 23 March 2026.

1. Publicity Requirements

Local authorities must comply with [the Code of Recommended Practice on Local Authority Publicity](#) during the pre-election period.

The Code prevents the council from issuing any publicity that would be seen to support or promote individual candidates, groups or political parties involved in an election campaign or attempt to influence voters.

The key points to be aware of in the Code are:

33. Local authorities should pay particular regard to the legislation governing publicity during the period of heightened sensitivity before elections and referendums – see paragraphs 7 to 9 of this code. It may be necessary to suspend the hosting of material produced by third parties, or to close public forums during this period to avoid breaching any legal restrictions.

34. During the period between the notice of an election and the election itself, local authorities should not publish any publicity on controversial issues or report views or proposals in such a way that identifies them with any individual members or groups of members. Publicity relating to individuals involved directly in the election should not be published by local authorities during this period unless expressly authorised by or under statute. It is permissible for local authorities to publish factual information which identifies the names, wards, and parties of candidates at elections.

35. In general, local authorities should not issue any publicity which seeks to influence voters.

March 2026

The Local Government Association have also issued some helpful guidance for councillors that is available here <https://www.local.gov.uk/our-support/guidance-and-resources/pre-election-period>

All local authorities in England and Wales are under a duty to have regard at all times to the Code.

2. Use of Council Resources

Council resources may only be used for day-to-day business. They must not be used for political purposes. Council email, IT systems, social media channels, and property must remain politically neutral.

3. Decision-Making

Business-as-usual decision-making continues. Statutory meetings may be held, but agendas must avoid items that could be seen as politically advantageous. Delegated officer decisions and public events may continue with care.

In the vast majority of cases, the pre-election period will have no impact on normal council business.

What can still be done?

- The council must continue supporting day-to-day business and therefore formal meetings such as Cabinet, Scrutiny Boards and other meetings prescribed by the council's constitution can still be convened, but care must be taken to ensure that agendas do not offer any perceived political gain.
- Individual Cabinet Member decisions can still be taken.
- Public scrutiny of council decisions.
- Officers can continue to make decisions in accordance with the delegated powers.
- Consultations, launches and other public events can still take place, but the attendance of election candidates should be avoided, and any resulting publicity will be purely factual in content.
- Members holding key positions are able to comment within the council's own publicity only in an emergency or in response to an issue which arises outside of the council's control, for example, comment on a public safety incident.

What cannot be done?

- The council's resources, including powers and facilities, cannot be used for electoral campaigning or political purposes. Council headed stationery, logo and other related designs must not be used or appear in any election related campaign material.

March 2026

- There will be no publicity issued which supports, or appears to support, any individual candidates, groups or political parties involved in an election campaign, or which seeks to influence voters.
- Council resources, including officer time, must not be used to prepare any party-political information including newsletters, leaflets, photos, banners, badges, voter lists, canvassing maps.
- Member and officer council e-mail addresses (@tamworth.gov.uk), any council provided computer hardware and software, and council provided data networks (in the council offices or at home) including smartphones must not be used for anything other than in the support and promotion of day-to-day council business. They must not be used to promote any political campaign or electioneering activity.
- There will be no publicity issued across any council format or channel which supports, or appears to support, any individual candidate, groups or political parties involved in an election campaign, or which seeks to influence voters. Council channels include, but are not restricted to, social media, public relations, printed materials, e-bulletins and pages on our website. Where messages are issued by council officers via social media, Members should refrain from commenting on those messages or, in the case of X, of forwarding (or sharing) those messages and adding personal comment.
- Party political information and / or campaign material must not be displayed in, or on, any council property including the council house, street furniture or vehicles.

Guidance for Candidates and Agents

Dear Sir or Madam

Tamworth Borough Council Elections – Thursday 7 May 2026
Posting of Election/Campaign Materials on Street Lighting/Street Furniture

As campaigning begins, I'm writing to formally draw your attention to the County Council's policy in relation to the placing of election/campaign posters and material on County Council owned land and property including highway verges, street lighting columns and signs.

As the Highway Authority, the County Council does not allow the use of its land, property and highways land and structures for the display of election/campaign posters or materials. In particular, the Council does not give any permission to any person or body to place election/campaign posters, or other election/campaign material, on street lighting columns, traffic signs and other street furniture or otherwise place such material within highway limits.

In recent years the County Council has experienced occasional disregard for this policy and will therefore be closely monitoring activity. Any material displayed without permission is likely to be removed and the relevant Election Agent will be charged with the cost of that removal.

I trust that you appreciate the County Council's position on this matter and thank you in anticipation of your co-operation.

Yours sincerely

Patrick Flaherty
County Returning Officer
Staffordshire County Council
