

Bolehall Ward: Recommendations

No alternatives to the current polling districts or polling place scheme were suggested as part of the consultation. No complaints have been received from any electors regarding the provision of polling places or the polling station facilities provided. Therefore, it is recommended that no changes are made to the polling districts within the Bolehall Ward.

It is also recommended that polling place represent the same area as the polling district plus the adjoining polling district(s) to allow a greater degree of flexibility in deciding where a polling station should be located should the need arise.
