Dear [Name Redacted]

Freedom of Information – Request for Information

With regards to your recent enquiry for information held by the Authority under the provisions of the Freedom of Information Act. We have now located the lease agreement for Tamworth Golf Course, as this is a legal document you are welcome to peruse it at our office by prior arrangement.

Please let us know if this is acceptable, and if so could you suggest some dates and times suitable to yourself and we can arrange for a member of staff to meet your requirements.

The request now has been put on hold until I receive a response from you, if no response is received after 3 months the request will be closed down without further notice.

Yours Sincerely

Derek Bolton
Corporate Information Security Manager
