

Care Leavers Housing Advice

Care Leavers

A care leaver is defined as a person aged 25 or under, who has been looked after by a local authority for at least 13 weeks since the age of 14; and who was looked after by the local authority at school-leaving age or after that date. If you are a care leaver you may be able to get housing and other help from Tamworth Borough Council. The help you get mainly depends on your age.

What the law says

The legal framework for care leavers aims to make sure that they receive the right support and services in their transition to adulthood, including access to accommodation. General homelessness legislation also provides a safety net for care leavers experiencing homelessness.

The legislation most relevant to care leavers' accommodation needs is the Children (Leaving Care) Act 2000, to impose duties on local authorities to support certain categories of looked-after children and care leavers.

What help is available for Care Leavers?

Personal advisor- Before you leave care you've given a pathway plan settings out what support you might need to live independently. You're given a personal adviser whose job is to make sure that you claim everything you are entitled to. Following changes introduced through the Children & Social Work Act 2017, you will be able to ask for support from your Personal Adviser up to the age of 25, whether you are in education or training or not.

Supported accommodation- The Council works in partnership with a number of agencies that support move-on arrangements from hostels, supporting people funded and/or other specialist accommodation. Applicants moving on from short term accommodation (up to 2 years duration) who are capable of independent living (with or without care and support plans) will be placed into Band 1, provided there is evidence from the support provider to confirm that: 1) Their rehousing requirements constitute a high

social and/or medical need and an appropriate move on package is in place or 2) Rehousing will free up a place for a vulnerable person(s) in supported housing

Housing Solutions Fund- If you are a care leaver moving to a new place, you may be entitled to support from the Housing Solutions Fund. This fund may cover your first month rent payment in advance if it is a shared accommodation to help you to secure the accommodation.

What will happen if I approach Tamworth Borough Council for housing assistance?

- **Step 1:** You will need to provide identification if you are applying as homeless or for housing.
- **Step 2:** Once we have assessed if you are eligible we will then assess if you are threatened with homelessness or homeless immediately.
- **Step 3:** After a full assessment, Tamworth Borough Council will establish whether emergency temporary accommodation will be provided to you. This decision will be based on the information you have provided to us.
- **Step 4:** We will work closely with you to find and secure accommodation for you which will be done by completing a Personal Housing Plan. This plan will look further at your housing needs, wishes and will list actions for you and us to complete. It is important that you are honest with us during this assessment and provide us with all the information you can, so support can be tailored to you.

Housing help for 18 to 21 year old care leavers

- You are automatically classed as being in 'priority need' until your 21st birthday, if you are aged 18 to 21 and spent at least one night in care when you were 16 or 17, which means that the Housing solutions Team service should help you to find a place to live.
- This can include referral to supported accommodation, finding a private accommodation or private shared accommodation.
- When you are 18 you are eligible to join housing registration list.
- Social Services can help you by providing assistance with education and training until your 25th birthday.
- **You may be entitled to emergency housing from the council if you are in priority need.**

I am 16/17 and am not a care leaver, can you help me?

Applicants aged 16 or 17 will not normally be able to join the housing register as they are prevented by law from holding a tenancy, the only exceptions to this are as follows;

- Where a statutory homelessness duty is owed
- For care leavers 6months before their 18th Birthday to allow the council to work with them effectively to help source suitable alternative accommodation to try and prevent them from becoming Homeless.
- Where they have been accepted into supported accommodation provided by Tamworth Borough council and there is a requirement for the application to be processed to enable the occupant to pay rent and other charges.
- Where an applicant under 18 is unable to join the housing register but is threatened with homelessness full advice and assistance will be offered to the young person for them to return home where is safely to do so or source alternate accommodation.

Money Matters

Financial support for 16 or 17 year old care leavers:

Most 16 or 17 year old care leavers are not eligible for benefits. The Children services department of Tamworth Borough Council must help you by:

- Providing housing or helping you find your own place
- Supporting you financially by paying you enough for your rent, food, bills, travel costs for education and training, clothing, pocket money and childcare if you need it
- Giving you any other support you need, such as helping with continuing your education, finding work or dealing with personal problems

Benefits for care leavers over 18

- When you turn 18 you are entitled to claim benefits. You should be able to claim Universal Credits.
- Housing Solutions Team can refer you to Tamworth Advice Centre who will be able to check what you are entitled to or your personal advisor should help you to apply.
- Usually if you are aged under 35 and you rent from a private landlord, the maximum housing benefit you can get is the same rate you would get for renting a single room in a shared house.
- But if you've been in care, this doesn't apply until you turn 22. You should be entitled to housing benefit for a flat of your own, even if you have just spent one night in care.
