| ENF147 | 30 Market Street, Tamworth | 26/2/93 | | <p>Shop fascia.</p> <p>Steps Required:</p> <ol style="list-style-type: none"> 1. To remove shop fascia sign by one of the following methods: (a) replace the central section of the original sign; (b) erect a new sign which matches in style, colour and material the appearance of the new sections of fascia remaining at each end; (c) submit to the Local Planning Authority details of a new sign and when approved by the LPA erect such a sign. 2. Remove the steel flue pipe and brackets shown on attached photograph A. Restore any damage to the wall to the condition of the immediate surrounding area. 3. Having regard to the position of retained skirting boards and doors, re-lay the previously removed brick and tile cellar floor surfaces to the pre-existing floor levels. Make up any bricks or tiles found to be missing or defective with matching bricks and tiles. The partial removal of previously laid concrete surfaced floor may be necessary to carry out this work. 4. Re-lay the two internal vertical plank doors, with no alteration to their height or width to the front two cellar rooms. 5. Repair the damaged and collapsed sections of the staircase between the cellar and ground floor, using new or reclaimed matching timber only, as agreed in writing by the LPA. 6. Remove the plasterboard cladding to the cellar/ground floor staircase ceiling. 7. Remove the plasterboard and timber partition, the door and door frame, abutting and at the foot of the ground/first floor staircase. Make good any damage to the staircase and wall surfaces. 8. Remove the paint from the glass to the window by the head of the cellar/ground floor staircase. | | | | | | Complied with |
