

Application fees for a new club premises certificate or to vary a club premises certificate

The Licensing Act 2003 allows Tamworth Borough Council to charge fees to cover the full cost of the administration, inspection and enforcement of the Act. The fee levels are set centrally by the Secretary of State for Culture, Media and Sport.

The fee you need to pay depends on the non domestic rateable value of the premises you want the certificate for.

To find the non-domestic rateable value of your premises go to the Valuation Office website www.voa.gov.uk

The following table summarises the application fees:

Rateable Value	Band	Fee
No rateable value to £4,300	A	£100
£4301 to £33,000	B	£190
£33,001 to £87,000	C	£315
£87, 001 to £125,000	D	£450
£125,001 and above	E	£635

Please make cheques payable to "Tamworth Borough Council."
