☐ Yes ☐ No

**Please describe the proposed variation(s) in detail in the box below and explain why you consider that they could not have an adverse effect on the promotion of any of the licensing objectives (See Guidance Note 1). This should include whether new or increased levels of licensable activities will be taking place indoors or outdoors (indoors may include a tent):**

**Details of proposed variation(s)** (Please see Guidance Note 4)

We are applying to vary our premises licence to allow the use of glassware for drinks to be taken outside the front of our premises until 9:00 PM. The current licence only permits the use of plastic containers in this area.

This proposed change relates solely to the use of glassware and does not involve any increase in licensable activities or any change to the hours of operation. All licensable activities will continue to take place as currently authorised, with no amplified music or other noise-generating entertainment in the evenings.

We believe this variation will not have an adverse effect on the promotion of the licensing objectives for the following reasons:

- **Prevention of Crime and Disorder:** Our customer base consists primarily of mature, respectful individuals. The area where glassware will be permitted is clearly barriered off from the public highway, which helps ensure proper control and monitoring by our staff. We have a strong record of responsible management and will continue to ensure the outside area is supervised.
- **Public Safety:** Allowing the use of glassware until 9:00 PM will not compromise safety. The area is limited in size, enclosed with barriers, and within clear line of sight of staff. In the event of any breakages, staff are trained to promptly and safely clear the area. We do not foresee any increased risk to customers or the public as a result of this variation.
- **Prevention of Public Nuisance:** There is no live or amplified music in the evenings, and we will continue to encourage quiet and considerate conduct from customers using the outside area. The proposed 9:00 PM cut-off ensures that the use of glassware outdoors does not extend into later hours when noise could more easily impact nearby residents.
- **Protection of Children from Harm:** The area is monitored and operated in a responsible manner. This variation does not affect our existing policies regarding children on the premises.

As we do not have a garden or other external area, the front space is our only outdoor facility. This modest change will enhance the customer experience without impacting the licensing objectives or causing any disruption to the surrounding community.

### Notes for Guidance

1. General Note: The minor variations process can only be used for variations that could have no adverse impact on the promotion of any of the four licensing objectives. (These are: the prevention of crime and disorder; public safety; the prevention of public nuisance; and the protection of children from harm.)

It cannot be used to:

- ☐ extend the period for which the licence has effect;
- ☐ vary substantially the premises to which it relates;
- ☐ specify, in a premises licence, an individual as the designated premises supervisor;
- ☐ add the sale by retail or supply of alcohol as an activity authorised by a licence or certificate;
- ☐ authorise the sale by retail or supply of alcohol at any time between 11pm and 7am;
- ☐ authorise an increase in the amount of time on any day during which alcohol may be sold by retail or supplied;
- ☐ include the alternative licence condition referred to in section 41D(3) of the Licensing Act 2003 in a premises licence.

2. Description of premises: For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. This should include any activities in or associated with the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines etc.

3. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

4. Give full details of all the proposed variation(s). Failure to provide sufficient information may lead to the refusal of your application. Details should include a description of the proposed variation(s) in terms as precise as possible. If you are not precise, the licensing authority may decide that the changes you propose would be potentially broader in scope than you intend and reject your application as not being a 'minor' variation. You should also include a statement about why you consider the variations proposed could not have an impact on the licensing objectives listed in section 4(2) of the Act. You should cover each of the objectives that could possibly apply to your proposal (or if more than one, to each proposal) and say why you think there could be no

adverse impact on that objective. Your application will be assisted by including as much information as you can about this. **(However, there is a box at the end of the form for 'further information', and this should be used for any relevant background information not directly related to the variation.)** Relevant information includes:

**a) Variations to licensable activities/licensing hours** (all timings should be given in 24 hour clock e.g. 16.00. Only give details for the days of the week when you intend the premises to be used for the activity), such as:

- ☐ Whether new or increased levels of licensable activities will be taking place indoors or outdoors (indoors may include a tent);
- ☐ Relevant further details, for example whether music will be amplified or unamplified;
- ☐ Standard days and timing when the activity will take place, including start and finish times;
- ☐ Any seasonal variations in timings, e.g. additional days during the summer; and
- ☐ Non-standard timings, e.g. where you wish the activity to go on longer on a particular day such as Christmas Eve.

**b) Variations to premises/club layout:** If you are applying for a variation to the layout of your premises, you must include a revised plan. You should be aware that your application is likely to be refused if the proposed variation could:

- ☐ increase capacity for drinking on the premises;
- ☐ affect access between the public part of the premises and the rest of the premises or the street or public way, e.g. block emergency exits or routes to emergency exits; or
- ☐ impede the effective operation of a noise reduction measure.

**c) Revisions, removals and additions of conditions:** The minor variation process may be used to remove conditions which are out of date or invalid and to revise conditions which are unclear (as long as the intention and effect remains the same). It can also be used to add a new condition volunteered by the applicant or mutually agreed between the applicant and a responsible authority, such as the police or the environmental health authority (subject to impact on the licensing objectives).

**d) Variations to opening hours:** details of any changes to hours when the premises or club is open to the public.

**5. In terms of specific regulated entertainments please note that:**

- ☐ Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
- ☐ Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
- ☐ Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
- ☐ Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
- ☐ Live music: no licence permission is required for:

- a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.

  - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.
- ⌘ Dance: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500. However, a performance which amounts to adult entertainment remains licensable.
- ⌘ Cross activity exemptions: no licence is required between 08.00 and 23.00 on any day, with no limit on audience size for:
- any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
  - any entertainment taking place on the hospital premises of the health care provider where the entertainment is provided by or on behalf of the health care provider;
  - any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
- ⌘ any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and

(b) that the travelling circus has not been located on the same site for more than 28 consecutive days.
