Please tick as appropriate

- I have enclosed the premises licence
- I have enclosed the relevant part of the premises licence

If you have not ticked one of these boxes, please fill in reasons for not including the licence or part of it below

Reasons why I have not enclosed the premises licence or relevant part of premises licence.

The applicant has recently made an application to transfer the premises licence into her name, and to vary the licence to appoint herself as the new designated premises supervisor.

Efforts were made to locate the existing premises licence as part of those applications, but the licence could not be found. The loss was reported to the police in Tamworth and a reference number was given – 741463

We believe the transfer application and the variation of DPS have been granted and the new licence is in the process of being prepared to be sent out.

M

Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

No changes deemed necessary other than those which already exist in the current licence.

b) The prevention of crime and disorder

No changes deemed necessary other than those which already exist in the current licence.

c) Public safety

No changes deemed necessary other than those which already exist in the current licence.

d) The prevention of public nuisance

No changes deemed necessary other than those which already exist in the current licence.

e) The protection of children from harm

No changes deemed necessary other than those which already exist in the current licence.
