

Get your house in order!

From 1st April 2018, the **Minimum Energy Efficiency Standards** for all properties rented out in the private rental sector must have a minimum Energy Performance Certificate (EPC) rating of an E for all new rentals.

Owners of non-compliant properties could face a fine of **up to £5000 PER PROPERTY!**

We are offering a fully funded training event which will show you how to avoid the penalties and resulting fines...

What does this training event cover?

This training event covers the following topics:

- Minimum Energy Efficiency Standard Ruling – What it means for landlords
- EPC ratings explained
- Methods of property improvements and sources of finance
- What measures have the biggest impact on changing the ratings of EPCs
